Introduction

In 1977, High Sierra Industries (HSI) opened its doors to address the needs of persons with developmental, mental, and physical challenges by offering employment opportunities, direction and education. Also HSI provides light manufaa.15 T and assembly to businesses in the state of Nevada. Not only does HSI impaai the state through its assistance for developmental, mental, and physically challenged citizens of the state, HSI also has economic impaais through its purchases of State of Nevada gooufa2iih Nevada

Inter-Industry Analyses

Within a state economy, there are numerous economic sectors performing different tasks.

All sectors are dependent upon each other to some degree. A change
